What is a Halloween Scavenger Hunt:

A halloween scavenger hunt is a game in which the SSHBA organizers will prepare a list defining HALLOWEEN items, using which the TEAMS in costume— seek to gather all items on the list — or perform tasks / take photographs of the items, as specified. The goal is to be the first to complete the list in the most creative manner.

Each team of 8 - 10 people will have a limo that will take you on this adventure. The limos will NOT be stocked with alcohol so you will be responsible for supplying any alcohol beverages during the hunt.
